100 CLUB LIBRARY FUND

It is thought that the chances of winning the main National Lottery game are **14 MILLION TO ONE**, so why waste a pound on such high odds when you have a **much, much better** chance of winning £50 every month by joining the **Friends 100 CLUB and helping the library in the process!**

For a joining fee of £12 you have the chance to win a monthly prize of £50. Additional prizes are awarded if subscription levels allow. The draw takes place at the end of every month (or term end for holiday dates) by the headmaster or one of his deputies.

YOU HAVE TO BE IN IT TO WIN IT!

- ☆ One half of the money raised will go in prize money. After administration costs have been met, all other money will benefit the School and its pupils.
- ☆ Prize winners will be notified personally within two weeks of the draw.
- ☆ Winners' names will be displayed on the web-site.
- ☆ The PTA is registered with the local authority under the Gambling Act 2005.
- ☆ **No child under the age of 16 years may be a member of the club.**
- ☆ The draw can take place with fewer than 100 members, in which event the prize money will be adjusted accordingly.
