Join the 100 Club today and support the school library

Dear parents and carers,

The 100 Club Library fund has been in operation for several years and over that time has raised over £9000 for the school library and has paid out the same again in prize money. The more people who join, the higher the monthly pay out and the more we can donate to the library. Applications for the new academic year, 2017-2018 are now open.

You may be wondering:

What is the 100 Club?

The 100 Club is a lottery run to support the school library. Draws are made at the end of each month throughout the academic year, starting at the end of September and running through to August.

How does it work?

Each member pays £12 per year and is allocated a number and this number is entered in to a monthly draw with the chance of winning £50 per draw. The prize money is dependent on there being 100 members. If there are more than 100 members, then the prize money will increase. 50% of all income will be allocated as prize money.

Who can join?

Parents, pupils, staff, family members and friends. *Even if you don't have a student at the school you can still participate.* Under 16's are NOT allowed to take part as per the Gambling Act 2005. Applicants aren't limited to one membership, you can buy as many numbers as you like.

How does it help the school?

50% of all money taken in membership goes to the school library.

How can I join?

By submitting the [attached membership form](#) and sending it in to the school, either through the post or by hand. Please mark envelopes for the attention of: "LPSB FRIENDS - 100 Club".

Good luck!

Christine Stephen
100 Club Administrator
