All profits go to charities and local schools

The Friends of Langley Park School for Boys are once again supporting the Fireworks Spectacular run by the Rotary Club of West Wickham. This is the 24th year that this event has been held.

There is a substantial discount on the family ticket prices by buying through The Friends of LPSB. Ticket prices are normally £6.50 for an adult, £3.50 for a child and free of charge for children under 5. Tickets for 2 adults and 2 children would cost £20 **but a family ticket is available for just £15**, which will not be available on the gate.

This event usually raises £6-£8,000 each year for local charities with a large percentage going to schools in the area who have helped out with the ticket sales.

It is a fabulous family event and a great source of income for The Friends.

You can order tickets by returning the slip below via your child's form tutor by **Tuesday 30th October**.
