Headteacher - Mr S Parsons MA NPQH

Sports Department

Langley Park School for Boys has an outstanding reputation for success in sport, and we are committed to maximising opportunity for all pupils whilst striving for excellence. Langley teams proudly compete in over 850 competitive fixtures across a variety of sports each year.

The school's major sports are Rugby, Hockey, Cricket, and Athletics in which we have full Saturday morning fixture lists against some of the country's leading sports schools. We also compete in local and national competitions in other sports including Basketball, Tennis, Golf, Squash and Swimming. The major sports for girls in the 6th form are Netball, Hockey, Rugby and Cricket.

Our teams take part in all major regional and national competitions, and our teams tour regularly both in this country and abroad. Over the last few years Cricket, Hockey and Rugby teams have visited South Africa, Australia, South America, Canada, the Caribbean and Europe.

We frequently supply boys to county, national and international teams; in recent years we have produced internationals in our five major sports and we are particularly proud of our reputation as one the foremost sports schools in the region.
