Exams are just around the corner and all candidates will receive another copy of their timetable during this week. Copies of the JCQ Information for candidate’s documents have been sent to every candidate’s school email address. Please encourage your son or daughter to read these as they have been written to help them understand things that they can and can’t do during exams.

Candidates must check their timetables carefully to identify when their exams are being held. They must be in school by 8.20am for a morning exam and 1.20pm for an afternoon exam. All candidates require a black pen (& a spare), a pencil and eraser for all exams in a clear pencil case or plastic bag. They may be required to bring a calculator or other equipment for some exams. Water is permitted, but it must be in a clear plastic bottle with the labels removed.

Mobile phones and devices with a storage facility are not allowed in the exam room even if they are switched off. This includes ‘smart’ watches. Smart watches are difficult to identify from ordinary digital watches, and therefore only analogue watches (sweeping hands) will be allowed in the exam hall. Items may be handed to an invigilator on the day, but it is best to leave all such items at home.

There will be limited storage for coats and bags during exams. Please only bring these items if absolutely necessary.
