**Visit from Kansas High School**

On Friday 23rd March Kansas High School band visited Langley Park Boys. It was the last day of their visit to the UK and they were delighted to have a tour of the school and play together with members of the Dance Band. They played one piece collectively and then played a piece to each other. After the students had some refreshments and social time with the High School musicians before they bid us farewell.

**Next Week**

**Monday 16th April**
Professional Training Day—
School CLOSED to students

**Tuesday 17th April**
Start of Summer Term 8.20am

**Thursday 19th April**
GCSE Graphics Exam
YR12 UCAS Convention

**Friday 20th April**
GCSE Graphics Exam
Young Shakespeare Company visit
YR12/13 DoE depart

---

Spring Edition of the HISTORY SOCIETY Magazine now available
In their English lessons this half term, the whole of year 8 took part in the high-profile nationwide project – BBC School Report. The best groups were chosen and spent a day being journalists - writing, filming and editing their news reports. Run by the English and Media departments at Langley, the day was a great success. The boys thoroughly enjoyed the day and worked hard, producing some extremely impressive reports on a wide range of topical subjects.

To view the news reports created by the students click [here](#).
To view images from the day click [here](#).

**Coming Soon...**

**Monday 23rd April**  
YR 10 Bletchley Park Trip

**Tuesday 24th April**  
Bikeability  
GCSE Art Exam

**Wednesday 25th April**  
Bikeability  
GCSE Art Exam

**Thursday 26th April**  
Bikeability  
GCSE Photography Exam

**Friday 27th April**  
GCSE Photography Exam

**SKI TRIP 2019**

Pupils in years 7-10 have the opportunity to participate in a ski trip to France during the February half term 2019. This is an opportunity to learn to ski or improve their level. If you would like more information or you would like your son to participate please click [here](#).

**Year 12 & 13 Marie Currie BAKE OFF!**

Year 12 and 13 students once again held a Bake Off! in support of the Marie Currie Cancer Care charity. Here are some images of the day.

**Patrick Kibble YR 10**

Patrick Kibble is making his debut in the Ginetta Junior National Championship at Brands Hatch 7th/8th April.

The Ginetta Junior Championship runs alongside the British Touring Car series at legendary circuits including Brands Hatch, Silverstone, Donnington and Knockhill.

The Junior series pitches the very best young driving talent together and makes for some of the most exciting high speed and close contact racing, reaching speeds of up to 120mph.

Patrick, number 87, will be racing the distinctive Bright Orange and Black TCR Racing, Ginetta G40 and has set his sights on winning the Championship in his rookie season.

Sport News

Hockey Awards Night

2017/2018 has been an incredible season. Ranging from 1st XI Kent Cup winners to U12 South Finalists.

This year LPSB was represented by 18 Field Hockey Teams and 6 Indoor Hockey Teams ranging from 1st XI to U12D Teams. This is a fantastic achievement which has been buoyed by a dedicated PE/Sports Department.

Field Hockey had a winning Success of 90 games from 156. Drawing 21 and losing 49 games. While the indoor program saw 4 wins from 9 games, losing 5.

Mr Falconer has once again lead an incredible team of staff, who have continuously embedded the style of hockey which sets LPSB apart from the rest. It should also be highlighted that, the entire hockey coaching team put in many hours to ensure that all players were able to enjoy the spoils of school sport. Your continuous hard work has not gone unnoticed.

Thank you to Ed Slater for leading the pupils this season as the 1st XI Hockey Captain. Thank you for your leadership and commitment to the school Hockey program.

CONGRATULATIONS to Jack Mitterer, Tom Dean James Gibbins, Mike Mitterer, and Akshay Patel for achieving 3rd place (Best state school in the Country) at the National Schools Squash Championship.
Despite the season being heavily disrupted by the ‘Beast from the East’, we have had great success with the 7s programme this year. Entering a total of 28 tournaments, including Rosslyn Park 7s for the first time, over 120 boys have had the opportunity to represent the school throughout the season.

The U12s had their first taste of the reduced format of the game and displayed some fantastic rugby 7s - full of pace, slick handling and ferocious defence. The U12s finished their campaign with success at the Isleworth and Syon 7s, where they won the Plate Competition. Special mentions go to Tyler McKenzie, Anthony Wrigley and Roan Whiteley who have all been superb throughout the entire season.

The U13s have shown great potential throughout the course of the term. The Year 9s started their 7s campaign at the St Olave’s 7s, where they beat Judd, Colfe’s and St. Dunstan’s to finish 4th overall. The boys continued their form into the following week at the City of London Freemen’s 7s. The team finished 2nd in the pool beating Eltham College, drawing with Worth and losing narrowly to Portsmouth Grammar. This meant the team were entered into a waterfall tournament, during which we recorded wins against the host team, City of London Freemen’s and a draw against Reigate Grammar. The boy’s performances throughout the day led them to a 4th place finish out of total of 16 sides in a very prestigious and competitive tournament.

In their last tournament of the year, the boys travelled to Joseph Williams Maths School for the Kent 7s. Langley were selected to play in the top tournament as one of the 6 best teams in Kent. Excellent team performances saw Langley beat Eltham College and draw with Chis and Sid Grammar School. The boys finished 5th place overall, narrowly missing out by a score or less to Judd, Skinners and the eventual winners of the competition, Dartford Grammar School.

The U14s season was significantly reduced due to the weather. However, they showed great potential at the Isleworth and Syon 7s where they narrowly lost to Tiffin in the Semi-Final (following a close TMO decision). There were excellent performances all over the field throughout the day, but particular mention to Harry Byatt, the top try scorer of the day, who proved to be a real problem the opposition’s defence.

The U15’s, despite having several cancelled competitions, have shown huge promise and have continued their excellent form from last year in this season. The boys finished 5th overall at the Kent 7s following a narrow loss in the ¼ Finals (7-5). Two Year 10 teams were entered into the Isleworth and Syon 7s, where both sides displayed some exceptional rugby throughout. Following a last gasp conversion from Freddie Beasley in the Semi-Final, the ‘B’ team went on to win the Final of the Plate Competition, edging their way past Gunnersbury School in the Final. The ‘A’ team replicated the success of the B team in the Cup final. Special mentions go to Luca Kane, Justin Dreyer, Timil Patel and Tom Ward who were all exceptional throughout the day.

The Senior VII were entered into Rosslyn Park 7s for the first time ever this year. The competition is the largest school boys 7s competition in the world and naturally attracts the biggest rugby playing schools in the country. The Seniors finished 4th in their group, beating London Oratory and missing out to Bradford Grammar School, Wellbeck College and the eventual winners of the Vase Competition, Eton College. Further to their entry to RP7s, the Seniors had success at the Kent 7s, where they won the U18 Shield, beating Gravesend Grammar 21-12 in the final.

I would like to thank all boys who have represented the school this term for their time, enthusiasm and commitment towards Rugby 7s.
Sixth Form

Sixth Form Dress Code
All students should be in smart business dress at all times. This includes a suit jacket for both male and female students. Students who do not meet the dress code may be sent home.

Exam Timetables
All Year 13 students should now have received their exam timetables. They must check this carefully. If there are any errors, they must see their subject teachers or Mrs Salter in the Exams Office in Hub 1. Year 12 exam timetables will be issued after Easter.

UCAS Higher Education and Careers Exhibition
All Year 12 students will be attending the UCAS Higher Education and Careers Exhibition at the Excel Centre on Thursday 19th April. Further details have been sent via letter.

Guidance for Applying to University
Visit http://university.which.co.uk/advice/a-level-choices/what-a-levels-do-you-need-for-the-degree-you-want-to-study to investigate the A-Levels needed for different degrees and to input current A-Level courses and see which degrees are open to a student with those qualifications.

Barclays LifeSkills
LifeSkills works with teachers, parents and businesses to help young people:
• Build a job-hunting toolbox
• Identify skills
• Gain experience
• Be inspired
Our YouTube Channel features real LifeSkills experiences from top UK vloggers and tips on presenting your best self online. Visit https://www.barclayslifeskills.com/ for more details.

The Young Doctor and Young Investment Banker Programmes
Professionals from the world’s most prestigious investment banks and medicine disciplines will work alongside students to give them a genuine taste of professional life. These programmes provide an excellent opportunity for students in years 11-13 to add value to CVs and UCAS personal statements, as well as network with top industry executives. Visit The Young Doctor Programme or The Young Investment Banker Programme to apply.

KPMG 360
Imagine accessing a FTSE 100 business straight after leaving school or college, while earning a salary, gaining skills, confidence and professional qualifications along the way. Visit the KPMG website for more information about School Leaver Programmes.

PWC Flying Start Degree Programmes
If you want a traditional university experience, but also know you’re interested in launching your career by becoming a chartered accountant, the PwC Flying Start degree programmes offer the best of both worlds. They give you a fast track route towards becoming a Chartered Accountant from the Institute of Chartered Accountants in England and Wales (ICAEW) – plus the opportunity to enjoy paid placements, fully experience University life, and secure a job offer once you graduate. Visit the PWC website.

Deloitte Bright Start
There are six business areas you can choose from: Audit, Consulting, Financial Advisory, Internal Client Services, Risk Advisory and Tax Consulting. BrightStart apprentices enjoy:
• A permanent job • Professional qualifications, fully funded up to Masters-level, (actual level depends on the business area you join) • Paid time off to study • The chance to work with and learn from industry leaders • The support of a buddy and mentor at work • A competitive salary plus lots of fantastic benefits • Real projects with real clients • Valuable insights into the business world • Career opportunities that will take you as far as you want to go • A great working environment, with an active social scene
• Volunteering opportunities
For more information visit the Deloitte website.

Year 12 Work Experience
Following the letter that Year 12 received this week detailing the programme for the Summer Term, all Year 12 students should be looking for at least one week of Work Experience during the summer holidays. The deadline for handing in the completed WEX forms is Monday 4th June.

School Trips
At this crucial time of year, a reminder that students must catch up on any work missed while they are out of school on an educational or university visit. Students who have missed lessons should see their teachers regarding what work must be done to catch up.

University Taster Courses and Summer Schools
A number of taster courses and summer schools are being offered by universities across the country. These are a fantastic opportunity for students to gain an insight into the topic they may wish to study at university and attendance looks very favourable on UCAS applications. Students should see their Form Tutor, Mr Butterworth or Miss Parr for further support and guidance.

Sixth Form Bursary Fund
Our Sixth Form Bursary Fund is open throughout the school year to support students who are experiencing financial difficulties. Students should see a member of the Sixth Form team for an application form.
