Headteacher - Mr S Parsons MA NPQH

February 2019

Dear Parent/Guardian

ZOOLAB VISIT: LIVE ANIMAL HANDLING WORKSHOP

We have invited Zoolab to give Year 7 the opportunity for a hands-on experience with animals as part of an animal handling workshop, to help them prepare for their end of year Science exam. The Biology topics habitats, adaptations and classification will be covered. This also forms part of our exciting programme to celebrate National Science Week, which runs from 8th to 15th March.

The event will take place on Thursday 14th and Friday 15th March, and we are asking for a voluntary contribution of £5.00 from each student.

Payment should only be made online by sQuid (www.squidcard.com) using the same login as when topping up lunch cards. If the username/password has been forgotten this can be obtained by logging into sQuid and into the section entitled 'sign in to my account'. Once you are logged on, you will then be given the option to top up the lunch card or to pay for trips. There is one payment on sQuid for this item, 'Zoolab 2019'. If you have never registered on sQuid then please contact office@lpsb.org.uk for details. I would be grateful if you could return the tear off slip at the foot of this letter to your son's Science teacher by **Friday 8th March**.

For your son to take part in this event the tear off slip at the foot of this letter must be completed and returned.

Please do remember this event involves handling animals, if your son wishes to.

Thank you for supporting this event.

Yours sincerely

Vanessa O'Leary (Science Teacher)
