Year 9P Dover Trip

Year 9P travelled to Dover on the 1st July and on arrival immediately began their activities. These included and obstacle course, horse riding, mountain biking, safari, archery, fire bread, slip and slide and Dover day which included the castle, water sports and the cinema. The best activities were the obstacle course which caused many of us to run straight to the showers once we had finished, slip and slide down a huge plastic sheet which we loved and did for hours, and water sports which consisted of raft building, sailing and speed boating.

The food was amazing, thanks Mr Purdy and your gang of keen pupils for preparing and serving. Thank you to whoever ordered the weather, camping is much easier when it is sunny. Finally thank you to all staff who took the time to attend. All the pupils loved the trip and had a great time!

### Swimming Championships

On Saturday 29 June 2019 Brandon Niles Vencatchellum (10Y) took part in the Regional Open Water Meet at Surrey Quays. He managed to complete the 5k swim as the sun came out and came in second place for the 16 years age group.

He has now qualified for the Nationals which will be held in Sheffield in August and fight off some fierce competition. We wish him all the best in the summer!

### U13s Showcase their Rugby Talents on National Stage

On Tuesday 2nd July, the U13 Rugby League squad represented London on a National Stage, participating in the Rugby League National Trophy at Victoria Park, Warrington. They qualified for this following their silver medal at the London Youth Games. The boys acquitted themselves admirably in only their second ever rugby league tournament and adapted to the rules very well. Overall, they won 5 of their 6 games scoring 76 points and only conceding 22 points. They were unfortunate to miss qualifying at the top of their group due to their only defeat.

The highlights were some crunching tackling in defence and some blistering pace in attack. The try scorers were Tyler McKenzie, Anthony Wrigley, Jamie Dionisi(4), Leon Nelson-Martin(2), Alex Sharpe-McGrail(3), Marcus Williams (2), Robin Wong(2) and Jacob Brome. Thank you to Mr Hamilton, Sue Davis and the parents that travelled to the tournament.
Hockey

London Youth Games

Seven Langley boys helped the borough of Bromley become London Youth Games hockey champions. Harrison King, Jamie Freeman, George Catton, Fionn Sparrow, Callum Howie, Bertie Morrison and Noah De Vaux were selected to represent the borough and took part in the finals at Crystal Palace beating Hillingdon in the final to be crowned champions. Well done to all those involved.

Bromley Golf Champions

On Wednesday 10th July Noah De Vaux, Jonny Barratt, Fraser Jackson, Oscar Read and Harry Burgess represented the school in the Bromley golf championships held at Langley Park Golf Club.

The boys performed amazingly well, all scoring over 30 Stapleford points. The overall individual winner however was Harry Burgess with 39 points, this performance along with excellent scoring from his team mates Oscar and Fraser led to them winning the team competition and crowning Langley as the Bromley Champions for 2019. Jonny and Noah came second in the team event finishing just 3 points behind.

The boys will join other members of the golf team this weekend as they embark on the inaugural Langley Golf tour to Derbyshire and Leicestershire. This will hopefully be one of many tours.

As a squad Langley junior and senior golf teams are now unbeaten all year in matches against Dulwich College, Whitgift, Darrick Wood and Harris Beckenham. They have also beaten a very strong staff team! A massive thank you should go to Langley Golf Club for their ongoing support of the school’s golf program.

February Half Term

There are still a few places available for the trip.
Places will now be allocated on a first come first served basis.
Letters are available from reception.
Visit to The Victoria and Albert Museum.
The Photography Collection and Mary Quant.

Developing skills in first hand research is vital in the visual arts subjects to inspire and excite the students and to encourage the creative juices to flow. So during this year’s A level ULP 15 year 12 students accompanied by Ms Hamil and Ms Stone visited London’s V and A to see the Mary Quant exhibition and to explore the Photography Collection.

Quant was a local girl born in 1930 in Blackheath, the daughter of Welsh teachers. Her parents, were both from mining families; however, they had been awarded scholarships to grammar school and had both attained first-class degrees at Cardiff University before they moved to London to work as school teachers.

Quant went to Blackheath High School, then studied illustration at Goldsmiths College. After gaining a Diploma in Art Education, Quant began an apprenticeship at Erik, a high-end Mayfair milliner on Brook Street. The students’ interest in this fashion icon links to imagery produced by many famous names of the day and to social and cultural aspects, relevant both then and in contemporary society.

Library Books Return & Book Amnesty!!

We are asking for all books, on loan from the school library, to be returned next week - by Friday 12th July at the latest. In the autumn term, we are stock taking, sorting, cleaning and updating fiction books in the library. To do this we need to know what stock we have. So please help us by checking all school bags, bookcases and even under beds for those outstanding items.

Please bring ANY school library books along to the library before school, at lunchtime or after school finishes.

We also have a Book Amnesty for the next TWO weeks until the end of term. Do you have a very overdue library book? More than a couple of weeks? Maybe even from last year? There will be a box outside the library – pop your very overdue books in here – no questions asked!

EXAM RESULTS DAYS

Exam results can be collected from the refectory as follows:

GCE Results Day - Thursday 15th August from 7.30AM

GCSE Results Day – Thursday 22nd August from 8.30AM

We are not allowed to hand student results to a third party without prior permission. If a student would like someone else to collect results on their behalf they must complete a permission slip which can be collected from the exams office (room 126) or found by following this link: http://www.lpsb.org.uk/news/letters-mailings/

The slip must be returned to Mrs Salter in the exams office by the end of term. The person collecting must bring some photo I.D. with them on the day; a passport of driving licence is ideal.

Any results not collected by the end of the day will be posted to the address held on our records.
