## 4. Recording attendance

### 4.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

The registers open and close at the following times:

#### Morning registration

	Hayes	Ravens Wood	LPGS	LPSB
Register opens	8.30am	8.30am	8.25am	8.15am
Register closes	9.00am	9.00am	8.55am	8.45am

#### Afternoon registration

	Hayes	Ravens Wood	LPGS	LPSB 12-13	LPSB 7-11
Register opens	12.55pm	12.10pm	12.25pm	1.05pm	1.45pm
Register closes	1.25pm pm	12.40pm	12.55pm	1.35pm	2.15pm

## **4.2 Unplanned absence**

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8am or as soon as practically possible by calling the school attendance number.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

## **4.3 Planned absence**

We encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

## **4.4 Lateness and punctuality**

We expect all Pupils to arrive in school on time every day that the school is open. The school day begins promptly, and we advise parents to ensure their child is on the school site with plenty of time to attend morning registration.

A pupil who arrives late:

- Before the register has closed will be marked as late, using the L code
- After the register has closed will be marked as absent, using the U code

See appendix 2 for late arrival to school procedures.

## **4.5 Following up unexplained absence**

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Activate the absence procedure for all Pupils who are not in school by the close of the register and parents/carers will receive a SMS and / or email
- If there is no response following the absence procedure, the school may contact the Pupil's named emergency contacts
- If the school cannot reach any of the pupil's emergency contacts, the school may inform the Education Welfare Officer or inform the police
- A home visit may be carried out where school has not been able to contact the Pupil's parent/carer or named emergency contacts, especially in the event of prolonged absence from school. This is to ensure the safety of the pupil.
- If any Pupil leaves the school site without permission, the school will contact the parents/carers and take appropriate action to ensure the Pupil's safety and welfare.
- Identify whether the absence is approved or not

- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Contact the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

#### 4.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels via the school reports (at least twice a year).

#### 4.7 Children with a social worker

Where children have an allocated social worker, this will inform decisions about safeguarding (for example, responding to unauthorised absence or missing education where there are known safeguarding risks) and about promoting welfare (for example, considering the provision of pastoral and/or academic support, alongside action by statutory services).

The school Attendance Officer is aware of those Pupils who have a social worker and will inform a pupil's social worker and/or youth offending team worker if there are unexplained absences from school.

### 5. Authorised and unauthorised absence

#### 5.1 Approval for term-time absence

Amendments made to the 2006 regulations in the Education (Pupil Registration) (England) (Amendment) Regulations 2013 came into effect in September 2013 and prohibit a Head Teacher from granting any leave of absence unless in "exceptional circumstances." This includes holiday taken during term time.

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with the leave of absence request form, accessible in Appendix 3 and via the school website. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments that cannot be arranged out of school time (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

- The headteacher may consider one day leave of absence for a funeral/wedding. Long distance travel time, up to one day before and one day after the event, may also be considered.

Examples where leave of absence will not be granted and absences will not be authorised include:

- Looking after family members (except in exceptional circumstances)
- Birthdays or other similar events
- Any work (paid or unpaid) undertaken during school hours
- Family holidays during term time

## 5.2 Legal sanctions

The school or local authority can issue a penalty notice to parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age (up until the last Friday in June in the school year in which they turn 16).

If issued with a penalty notice, each parent/carers must pay £80 within 21 days or £160 within 21 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

The local authority is expected to:

- Issue Notices to Improve and penalty notices in line with the National Framework where absence was unauthorised and support has been provided but has not worked or been engaged with, or would not have been appropriate in the circumstances of the offence (e.g. an unauthorised holiday in term time).
- Take forward attendance prosecution as a last resort where all other routes have been exhausted or deemed inappropriate.

## 6. Deletion from the Register

A Pupil can lawfully be removed from the school's roll when it has been established that one of the specified criteria set out under Section 8 of The Education (Pupil Registration) (England) Regulations 2006 as amended, has been met.

### 6.1 Moving School

When parents/carers decide to send their child to a different school, it is important they inform the school as soon as possible. The Pupil will not be removed from the school roll until the following information has been received and investigated:

- The date the Pupil will leave the school
- The name and address of the Pupil's new school

- The Pupil's new home address (if applicable)

An in-year transfer form can be obtained from the London Borough of Bromley and should be completed by the parent/carer and the Headteacher.

## **6.2 Children Missing Education (CME)**

All professionals working with children have a responsibility to ensure a child's wellbeing and to remain vigilant to their safety and welfare both inside and outside of school. The school recognises that children missing education can act as a vital warning sign to a range of safeguarding issues including neglect, sexual abuse and child sexual and criminal exploitation.

When a Pupil is absent from school for 10 consecutive days and their whereabouts are unknown, the school will follow the London Borough of Bromley's protocol for children missing from education (CME procedures). This will involve carrying out joint enquiries with the London Borough of Bromley to establish the current whereabouts of the child.

## **6.3 Elective Home Education**

If a parent/carer wishes to Electively Home Educate (EHE) their child, the school will deregister the child at the point written notification is received from the parent/carer expressing their intention to do so and upon the school having notified the London Borough of Bromley.

# **7. Strategies for promoting attendance**

- The school will work in partnership with parents/carers and the Education Welfare service to implement attendance improvement and support plans.
- The school will appropriately consider curriculum, behaviour, bullying, SEND, pastoral and mental health and wellbeing and effective use of resources including pupil premium, when designing support plans.
- If the needs and barriers are individual to the pupil support may include provision of mentoring, careers advice, 1-2-1 tuition, alternative provision or out of hours learning.
- Where engagement in support is proving challenging more formal conversations may be held to continue to listen and understand barriers to attendance and to explain the consequences of persistent and severe absence and the potential need for legal intervention.

# **8. Attendance monitoring**

The school will:

- Monitor attendance and absence data monthly, half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the LGB.

## **8.1 Analysing attendance**

The school attendance champion will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

## **8.2 Using data to improve attendance**

The school will:

- Provide regular attendance reports to class teachers and other school leaders for example SENDCOs, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

## **8.3 Threshold for formal intervention**

When a Pupil's attendance falls below a threshold (usually 96% dependent on the stage in the year), the school will write to the parent/carer notifying them that there is a concern their child is missing a significant part of learning. The parent/carer will be asked to contact the school if they are aware of any issues that may be impacting on their child's ability to attend school regularly.

Should attendance remain a concern, a further letter may be sent notifying the parent that medical evidence will be required in order that any future absences from illness or appointments are authorised. Examples of when the school may require a parent to provide medical evidence are as follows:

- Attendance was below 90% at the end of the previous academic year (Persistent Absence)
- Attendance is currently below 96%
- Three separate periods of illness in a six-week period
- Absences have occurred immediately before or after a school holiday
- A pattern of absence has been identified on a specific day
- On the third consecutive day of absence if attendance is below 96%

If a parent/carer fails or refuses to work with the school and attendance remains a concern, a referral will be made to the school's education welfare service provider, who will offer further support and guidance but may also initiate a referral to the London Borough of Bromley for consideration of legal sanctions, which may be in the form of a Penalty Notice or prosecution in the Magistrates Court where the child is of compulsory school age.

## **8.4 Reducing persistent and severe absence**

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable and/or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Be particularly mindful of more complex barriers to attendance. This can include pupils who have long term physical or mental health conditions or who have special educational needs and disabilities (SEND).

We recognise that some pupils are more likely to require additional support to achieve good attendance. We also recognise that irregular attendance can be an indication of difficulties in a child's life and this may be related to problems at home or in school. Our aim is to work in partnership with families by offering support that is child focused and planned in discussion and agreement with parents/carers.

Parents/carers are encouraged to inform the school of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, for example, bereavement, significant health issues, divorce/separation, incidents of domestic abuse. This will help the school to identify any additional support that may be needed.

School strategies may include:

- Discussions with Pupils and parents/carers
- Form Tutor support
- Additional learning support
- Behaviour support
- Mentor support
- Careers advice
- 1-2-1 tutoring
- Use of pupil premium funding where applicable
- Use of alternative provision or out of hours learning
- Reintegration support packages
- Home visits by a consistent member of staff to ensure regular contact and support from the school
- Emotional Literacy Support (ELSA) intervention
- Reward and recognition schemes
- Parenting contracts
- Engaging the support of other agencies such as mental health support
- Multi-agency meetings
- Referral to the school's education welfare service provider
- Referral to the London Borough of Bromley for legal intervention

In very exceptional circumstances, where it is in the pupil's best interests, there may be a need for the school to provide a temporary part-time timetable to meet their individual needs. This must be with the agreement of the school and parent/carer, be part of a wider support plan, have regular review dates and a proposed end date.

## **8.5 Sharing information and working collaboratively**

When a family experiences the same of similar barriers to attendance for multiple children who attend schools in the area, the school will work closely with other schools to support transition, work jointly, attend targeting support meetings and share data on individual cases where it is of benefit to the pupil.

The school will:

- Notify the local authority when a pupil's name is added to or deleted from the school admission register outside the standard transition times
- Provide the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been absent for a continuous period of ten school days
- Provide the local authority with the full name and address of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness
- Provide specific pupil information on request to the secretary of state

## **9. Monitoring arrangements**

This policy will be reviewed as guidance from the local authority or DfE is updated, and annually the policy will be approved by Trustees. The policy will then be shared with the School governors for implementation.

## **10. Links with other policies**

This policy links to the following policies:

- Impact Trust Child Protection and Safeguarding Policy
- Impact Trust Secondary Behaviour Policy
- Impact Trust Positive Mental Health and Emotional wellbeing policy
- Individual school SEND Policy
- Supporting Pupils with Medical Conditions Policy
- Children with Health Needs who cannot attend School

### **DFE GUIDANCE = Code B: Attending any other approved educational activity**

307. The pupil is attending a place for an approved educational activity that is not a sporting activity or work experience. The educational activity must take place during the session for which it is recorded.

308. A pupil can only be recorded as attending a place for an approved educational activity if:

- the place is somewhere other than the school, another school where the pupil is registered, or a place where educational provision has been arranged for the pupil by a local authority under section 19(1) of the Education Act 1996 or sections 42(2) or 61(1) of the Children and Families Act 2014;
- the activity is of an educational nature; • the school has approved the pupil's attendance at the place for the activity; and
- the activity is supervised by a person considered by the school to have the appropriate skills, training, experience and knowledge to ensure that the activity takes place safely and fulfils the educational purpose for which the pupil's attendance has been approved. 80

309. Schools must also record the nature of the approved educational activity (regulation 10(5)), examples are:

- attending taster days at other schools;
- attending courses at college;
- attending unregistered alternative provision arranged by the school.

310. Schools have responsibilities for the safeguarding and welfare of pupils attending an approved educational activity. The school will need to be satisfied that appropriate measures have been taken to safeguard the pupil. Schools should ensure that they have in place arrangements whereby the provider of the educational activity notifies the school of any absences by the pupil. The school must record the pupil's absence using the relevant absence code.

311. As set out in the DfE's guidance on 'Providing remote education', pupils who are absent from school and receiving remote education still need to be recorded as absent using the most appropriate absence code. Schools should keep a record of, and monitor pupil's engagement with remote education, but this is not formally tracked in the attendance register.

### **DFE GUIDANCE = Code D: Dual registered at another school**

Relevant regulation 10(4) Table 3

313. The law allows a pupil to be registered at more than one school. This code is used to indicate that the pupil is absent with leave to attend the other school at which they are registered. The main examples of dual registration are pupils who are attending a pupil referral unit, a hospital school or a special school on a temporary basis.

314. The school at which the pupil is scheduled to attend must record the pupil's attendance and absence with the relevant code. Code D may only be used by either school for a session where the pupil is scheduled to attend the other school at which they are registered. Schools should ensure that they have in place arrangements whereby all unexpected and unexplained absences are promptly followed up.

315. This code is classified for statistical purposes as not a possible attendance to avoid double counting.

### **DFE GUIDANCE = Code K: Attending education provision arranged by the local authority**

291. The pupil is attending a place, other than the school or any other school at which they are a registered pupil, for educational provision arranged by a local authority under section 19(1) of the Education Act 1996 (exceptional provision of education), section 42(2), or 61(1) of the Children and Families Act 2014 (special educational provision off site). A pupil attending provision arranged by the school rather than the local authority must be recorded using Codes P or B instead.

292. Schools must also record the nature of the provision (regulation 10(5)), examples are:

- attending courses at college;
- attending unregistered alternative provision such as, home tutoring.

293. Schools should ensure that the arrangements are in place whereby the provider notifies the school of any absence by the pupil. The school must record the pupil's absence using the relevant absence code.

294. This code is classified for statistical purposes as attending an approved educational activity.
