

Langley Park School for Boys

Local Governing Body

We are looking for a Local Governor - Make a difference to your local school

Are you passionate about supporting young people and helping your local community thrive? We are seeking a dedicated individual to join our Local Governing Body at Langley Park School for Boys.

As a Governor, you will work with school leaders and the wider Trust community to help shape the school's vision, provide strategic oversight, and ensure the best possible outcomes for our students. No previous experience is required and training and support will be provided.

We are particularly interested in hearing from individuals with a finance, accounting, or business background who can bring valuable skills and experience to support the school's strategic and financial oversight. We are committed to building a diverse Local Governing Body and strongly encourage applications from under-represented groups.

This rewarding role offers an opportunity to develop new skills, contribute to the success of local young people, and make a positive impact on education in your community.

Interested? We'd love to hear from you. Contact Amilia Baitup, Head of Governance at Impact Multi Academy Trust for further information.
